	19,189	4,554	14,635	23.7%

**September 17, 2008 9:30 a.m.**

4554 meters on HCEC's are without power. Our percentage of meters without power has dropped to 23.7%.

We are finding that some people have been without phone service and are just now able to report outages.

Members receiving power from our Midway, Ferguson, Trinity, and Groveton substations should be prepared for an outage lasting up to 3 weeks until Entergy can repair their transmission lines. HCEC will continue to repair our lines so that our members will have power as soon as it is available from Entergy.
